

# THE KIMBERLEY

LIKE NOWHERE ELSE ON EARTH. SO HELP PROTECT IT.

## An exhibition of local art inspired by the unique natural beauty of the Kimberley

The Kimberley is a region of outstanding natural beauty with unique landscapes and wildlife like nowhere else on earth. This exhibition will bring the Kimberley to Joondalup over 5 days in the September school holidays and we'd like YOU to join us!

To help our community enjoy and connect with the awe-inspiring beauty of the region and to grow community support for conserving the Kimberley, we invite you to create an artwork with the following theme at its heart:

**What makes the Kimberley like nowhere else?**

### Competition

Prizes will be awarded to the 2 amateur artists who best encapsulate the theme of the exhibition; one decided by an expert panel and another by the public through an online and in-house 'People's Choice Award' which will run during exhibition week.

### To Enter

- 1) Register your interest in participating by 5pm Monday September 1 by emailing Claire, Community Campaign Coordinator, at [cmckinnon@saveourmarinelife.org.au](mailto:cmckinnon@saveourmarinelife.org.au).
- 2) During the process of creating your Kimberley inspired piece, we encourage you to share updates and photos of your work through social media networks and by email to [cmckinnon@saveourmarinelife.org.au](mailto:cmckinnon@saveourmarinelife.org.au) to share on The Kimberley– Like Nowhere Else Facebook page.
- 3) **Completed artwork must be delivered to Joondalup Art Gallery, 4/48 Central Walk Joondalup, between 10am and 2pm on Monday September 29.**
- 4) The Kimberley – Like Nowhere Else exhibition will run from **Tuesday September 30 to Saturday October 4**. Contributors have the choice to sell or simply display their piece. Items sold must be collected at the end of the exhibition. If artwork is sold, 20% of sales are allocated to Joondalup Art Gallery to help cover costs and overheads, if artwork is not sold, no fee is taken. Any contribution of sales to The Kimberley- Like Nowhere Else campaign is greatly appreciated.

Note: Artwork can be any medium/media and any reasonable size (it'll need to fit in the gallery!). Artwork must not exceed 5kg in weight. Please give us prior notice for any unusually large pieces or those that may have special hanging/display requirements. Please advise us at least one week before September 29<sup>th</sup> if you need to deliver your piece outside of the allocated hours. As there is limited space in the gallery, it may be the case that not all pieces can be displayed; however we will do our best to accommodate all artwork.

### Invitation

We invite you to join us for our closing celebration and announcement of the competition winners on **Saturday October 4, 1-3pm at Joondalup Art Gallery**
